FEATURES & SPECIFICATIONS

APPLICATION — The VBWM-SSA Series of Straight Arm Mounts with Wall Mount Adaptors were designed to mount Techlight light fixtures that are prepped to accept the SSA-S, SSA-M, and SSA straight arms to practically any wall structure.

CONSTRUCTION — A cast aluminum 2", 8" or 10.75" long horizontal SSA Arm is provided for fixture mounting. Two threaded rods, a nut plate, nuts, and washers. The two-piece heavy duty adaptor is constructed of galvanized steel. Stainless steel hardware provided for connecting the two components. Wall mounting hardware provided by others.

FINISH — A Super Durable Polyester powder coat finish is electrostatically applied in our state of the art paint facility. Standard colors available: Black, Bronze, US Green, White. Custom colors available upon request.

SSA (Straight Arm Mounts) are used in conjunction with the **WBVM** (Wall Mount Adaptor) to attach to practically any wall structure. Below are examples of these in various sizes small, medium and large.
